

Dear Sophia)

I cannot begin to tell you what an emotional time this past five months has been for me. Yet when we look back on it, we have to thank you for your understanding and empathy at the beginning of our introduction to the world of real estate. You really understood how we felt and we appreciated the kind words in the note you sent us. Thanks also for acting on our behalf as we can rent back our house for a few months. Your ability to relate to people will carry you a long way.
We wish you much success as a realtor.

It seems that warmth and caring come naturally to you.

There's a kindness that is genuine in everything you do.

Thanks for what you did.

Thanks for being you.

Sincerely,
Jan & Tom
